Index of Feature Articles

For your reference, following is an index of the features which ran in *Equipment Management* in 1989:

Aerial Lifts

What's in a name?, by Lori Butler, January, p. 24C.

Applications

A Boom in Truck-Mounted Cranes, by Glenn A. Endicott, July, p. 41.
Born Again, by Jerry Sappington, Vice-President, Sales, Flint Hydrostatics, Inc., April, p. 56.
Creating A Paperless Shop, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 31.
Developing Computer Support, by Larry Green, September, p. 29.
Dig In, by Jennifer Finnemore, April, p. 50.
Emergency! Hydraulic System Repairs, by Glenn A. Endicott, August, p. 16.
Emergency! Repair With Polymer Resin, December, p. 36.
Emergency! Repair, Rebuild or Replace?, by Glenn A. Endicott, October, p. 62.
Emergency! Tire Services and Repair, by Glenn A. Endicott, June, p. 44.
Emergency! Welding Repairs, by Larry Green, March, p. 28.
Entrenching, by Glenn A. Endicott, August, p. 51.
Filters: An Engine's Best Friend, by Glenn A. Endicott, July, p. 38.
For Sale: Workhorses, by Larry Green, December, p. 42.
Gearing Heavy-Duty Trucks, by Glenn A. Endicott, February, p. 31.
Head of The Class, by Glenn A. Endicott, June, p. 26.
New Directions for Diesels, by Glenn A. Endicott, April, p. 26.
No Pushovers, by Robert A. Bassi, January, p. 18.
On The Line, by Larry Green, August, p. 46.
On The Right Track, by Tom Keefe, March, p. 43.
Paving The Way, by Larry Green, October, p. 38.
Productivity: More Than A Buzzword, by Robert A. Bassi, July, p. 31.
Quick-Change Artistry, by Glenn A. Endicott, November, p. 38.
Ready for Inspection, by Glenn A. Endicott, September, p. 40.
Research Report: Compressors, by Larry Green, April, p. 43.
Research Report: Cooling Systems, by Larry Green, December, p. 31.
Research Report: Hydraulics, by Larry Green, February, p. 39.
Research Report: Lubricants, by Larry Green, August, p. 39.
Research Report: Personal Computer Software, by Larry Green, June, p. 35.
Research Report: Truck Tires, by Larry Green, October, p. 45.
Southern Comfort, by Robert Bassi, November, p. 31.
Straying from The Straight and Narrow, by Jennifer Finnemore, February, p. 48.
Taking Up The Slack, by Bob Deierlein, May, p. 45.
Two in One, by Tom Keefe and Larry Green, May, p. 32.
Under Control, by Matthew Wisla and Robert A. Bassi, January, p. 28.
Wheel Loaders: New Times, New Turns, by Glenn A. Endicott, September, p. 20.
When The Chips Are Down, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 35.

Axles

Gearing Heavy-Duty Trucks, by Glenn A. Endicott, February, p. 31.

Backhoe/Loaders

Two in One, by Tom Keefe and Larry Green, May, p. 32.

Brakes

Taking Up The Slack, by Bob Deierlein, May, p. 45.

Compressors

Clearing the air on compressor basics, March, p. 32C.
Research Report: Compressors, by Larry Green, April, p. 43.

Computers

Creating A Paperless Shop, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 31.
Developing Computer Support, by Larry Green, September, p. 29.
On The Line, by Larry Green, August, p. 46.
Research Report: Personal Computer Software, by Larry Green, June, p. 35.

Research Report: Truck Tires, by Larry Green, October, p. 45.
Southern Comfort, by Robert Bassi, November, p. 31.
Straying from The Straight and Narrow, by Jennifer Finnemore, February, p. 48.
Taking Up The Slack, by Bob Deierlein, May, p. 45.
Two in One, by Tom Keefe and Larry Green, May, p. 32.
Under Control, by Matthew Wisla and Robert A. Bassi, January, p. 28.
Wheel Loaders: New Times, New Turns, by Glenn A. Endicott, September, p. 20.
When The Chips Are Down, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 35.

Axles

Gearing Heavy-Duty Trucks, by Glenn A. Endicott, February, p. 31.

Backhoe/Loaders

Two in One, by Tom Keefe and Larry Green, May, p. 32.

Brakes

Taking Up The Slack, by Bob Deierlein, May, p. 45.

Compressors

Clearing the air on compressor basics, March, p. 32C.
Research Report: Compressors, by Larry Green, April, p. 43.

Computers

Creating A Paperless Shop, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 31.
Developing Computer Support, by Larry Green, September, p. 29.
On The Line, by Larry Green, August, p. 46.
Research Report: Personal Computer Software, by Larry Green, June, p. 35.

When The Chips Are Down, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 35.

Concrete

Paving The Way, by Larry Green, October, p. 38.

Cooling Systems

Neil of Antarctica, by Robert A. Bassi, September, p. 33.
Research Report: Cooling Systems, by Larry Green, December, p. 31.

Cranes

A Boom in Truck-Mounted Cranes, by Glenn A. Endicott, July, p. 41.
Hydraulic Cranes: Reaching New Heights, by Glenn A. Endicott, November, p. 43.

Dozers

No Pushovers, by Robert A. Bassi, January, p. 18.

Drive Trains

Gearing Heavy-Duty Trucks, by Glenn A. Endicott, February, p. 31.

Electronics

Creating A Paperless Shop, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 31.
New Directions for Diesels, by Glenn A. Endicott, April, p. 26.
Under Control, by Matthew Wisla and Robert A. Bassi, January, p. 28.
When The Chips Are Down, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 35.

Engines

Gearing Heavy-Duty Trucks, by Glenn A. Endicott, February, p. 31.
New Directions for Diesels, by Glenn A. Endicott, April, p. 26.
Under Control, by Matthew Wisla and Robert A. Bassi, January, p. 28.

Equipment Management Trends

1989 Equipment Information Telephone Directory, October, p. 52.
Aftermarket Equipment Directory, January, p. 40.
All things to Some People, by Glenn A. Endicott, March, p. 24.
Creating A Paperless Shop, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 31.
In The Right Place, by Larry Green, November, p. 27.
Made in America, by Larry Green, January, p. 49.
Mild Mannered No More, by Glenn A. Endicott, May, p. 26.
Money for Nothing? by Larry Green, Jill Davis, and Tom Keefe, July, p. 20.
On The Line, by Larry Green, August, p. 46.
Original Equipment: Assembled or Manufactured?, by Larry Green, June, p. 40.
Ready for Inspection, by Glenn A. Endicott, September, p. 40.
Sorting Out Aftermarket Parts, by Larry Green and Kelly Walker, President, Walker Associates, February, p. 23.
To Rent Or Not To Rent . . ., by Glenn A. Endicott, December, p. 25.
UST Regulations: A New Beginning, by Glenn A. Endicott, October, p. 31.
When The Chips Are Down, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 35.

Equipment Manager Profiles

Money for Nothing? by Larry Green, Jill Davis, and Tom Keefe, July, p. 20.
Neil of Antarctica, by Robert A. Bassi, September, p. 33.
Productivity: More Than A Buzzword, by Robert A. Bassi, July, p. 31.
Setting Standards, by Robert A. Bassi, March, p. 35.
Southern Comfort, by Robert Bassi, November, p. 31.
Still in Training, by Robert A. Bassi, May, p. 39.
Taking Care of Business, by Dennis Boggs, Phillips 66 Co., January, p. 28.

Equipment Selection

A Boom in Truck-Mounted Cranes, by Glenn A. Endicott, July, p. 41.
Dig In, by Jennifer Finnemore, April, p. 50.
Entrenching, by Glenn A. Endicott, August, p. 51.
For Sale: Workhorses, by Larry Green, December, p. 42.
Head of The Class, by Glenn A. Endicott, June, p. 26.
Hydraulic Cranes: Reaching New Heights, by Glenn A. Endicott, November, p. 43.
No Pushovers, by Robert A. Bassi, January, p. 18.
On The Right Track, by Tom Keefe, March, p. 43.
Paving The Way, by Larry Green, October, p. 38.
Straying from The Straight and Narrow, by Jennifer Finnemore, February, p. 48.

Feature Articles

Two in One, by Tom Keefe and Larry Green, May, p. 32.
Wheel Loaders: New Times, New Turns, by Glenn A. Endicott, September, p. 20.

Equipment Technology

Born Again, by Jerry Sappington, Vice-President, Sales, Flint Hydrostatics, Inc., April, p. 56.
Developing Computer Support, by Larry Green, September, p. 29.
Emergency! Hydraulic System Repairs, by Glenn A. Endicott, August, p. 16.
Emergency! Repair With Polymer Resin, December, p. 36.
Emergency! Repair, Rebuild Or Replace?, by Glenn A. Endicott, October, p. 62.
Emergency! Tire Services and Repair, by Glenn A. Endicott, June, p. 44.
Emergency! Welding Repairs, by Larry Green, March, p. 28.
Filters: An Engine's Best Friend, by Glenn A. Endicott, July, p. 38.
Gearing Heavy-Duty Trucks, by Glenn A. Endicott, February, p. 31.
New Directions for Diesels, by Glenn A. Endicott, April, p. 26.
Quick-Change Artistry, by Glenn A. Endicott, November, p. 38.
Research Report: Compressors, by Larry Green, April, p. 43.
Research Report: Hydraulics, by Larry Green, February, p. 39.
Taking Up The Slack, by Bob Deierlein, May, p. 45.
Under Control, by Matthew Wisla and Robert A. Bassi, January, p. 28.

Excavators

Dig In, by Jennifer Finnemore, April, p. 50.

Filters

Filters: An Engine's Best Friend, by Glenn A. Endicott, July, p. 38.

Forklifts

Selecting the right forklifts for rental operations, September, p. REM-3.

Hydraulics

Emergency! Hydraulic System Repairs, by Glenn A. Endicott, August, p. 16.
Research Report: Hydraulics, by Larry Green, February, p. 39.

Light Equipment

Clearing the air on compressor basics, March, p. 32C.
Selecting the right forklifts for rental operations, September, p. REM-3.
Selecting trailers to move rental equipment, by Pam Finkle, November, p. REM-3.
Skid-steers: more than just loaders, July, p. REM-3.
Trencher selection: the cutting edge, by Michael Tennant, Training Manager, Trenchers, May, p. 36C.
What's in a name?, by Lori Butler, January, p. 24C.

Loaders, Skid-Steer

Quick-Change Artistry, by Glenn A. Endicott, November, p. 38.
Skid-steers: more than just loaders, July, p. REM-3.

Loaders, Wheel

Wheel Loaders: New Times, New Turns, by Glenn A. Endicott, September, p. 20.

Logging

Taking Care of Business, by Dennis Boggs, Phillips 66 Co., January, p. 28.

Lubricants

Research Report: Lubricants, by Larry Green, August, p. 39.

Maintenance Management

Born Again, by Jerry Sappington, Vice-President, Sales, Flint Hydrostatics, Inc., April, p. 56.
Creating A Paperless Shop, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 31.
Developing Computer Support, by Larry Green, September, p. 29.
Emergency! Hydraulic System Repairs, by Glenn A. Endicott, August, p. 16.
Emergency! Repair With Polymer Resin, December, p. 36.
Emergency! Repair, Rebuild Or Replace?, by Glenn A. Endicott, October, p. 62.
Emergency! Tire Services and Repair, by Glenn A. Endicott, June, p. 44.
Emergency! Welding Repairs, by Larry Green, March, p. 28.
In The Right Place, by Larry Green, November, p. 27.
On The Line, by Larry Green, August, p. 46.

UST Regulations: A New Beginning, by Glenn A. Endicott, October, p. 31.
When The Chips Are Down, by J.C. Paterson, President, Transportation Management Techniques, Inc., April, p. 35.

Mining

A Boom in Truck-Mounted Cranes, by Glenn A. Endicott, July, p. 41.
For Sale: Workhorses, by Larry Green, December, p. 42.
Research Report: Truck Tires, by Larry Green, October, p. 45.

Motor Graders

Straying from The Straight and Narrow, by Jennifer Finnemore, February, p. 48.

Parts

Aftermarket Equipment Directory, January, p. 40.
Born Again, by Jerry Sappington, Vice-President, Sales, Flint Hydrostatics, Inc., April, p. 56.
Emergency! Repair, Rebuild Or Replace?, by Glenn A. Endicott, October, p. 62.
Original Equipment: Assembled or Manufactured?, by Larry Green, June, p. 40.
Sorting Out Aftermarket Parts, by Larry Green and Kelly Walker, President, Walker Associates, February, p. 23.

Paving Equipment

Paving The Way, by Larry Green, October, p. 38.

Regulations

UST Regulations: A New Beginning, by Glenn A. Endicott, October, p. 31.

Rental Equipment Management

Clearing the air on compressor basics, March, p. 32C.
Selecting the right forklifts for rental operations, September, p. REM-3.
Selecting trailers to move rental equipment, by Pam Finkle, November, p. REM-3.
Skid-steers: more than just loaders, July, p. REM-3.
To Rent Or Not To Rent . . ., by Glenn A. Endicott, December, p. 25.
Trencher selection: the cutting edge, by Michael Tennant, Training Manager, Trenchers, May, p. 36C.
What's in a name?, by Lori Butler, January, p. 24C.

Research Reports

Research Report: Compressors, by Larry Green, April, p. 43.
Research Report: Cooling Systems, by Larry Green, December, p. 31.
Research Report: Hydraulics, by Larry Green, February, p. 39.
Research Report: Lubricants, by Larry Green, August, p. 39.
Research Report: Personal Computer Software, by Larry Green, June, p. 35.
Research Report: Truck Tires, by Larry Green, October, p. 45.

Tires

Emergency! Tire Services and Repair, by Glenn A. Endicott, June, p. 44.
Gearing Heavy-Duty Trucks, by Glenn A. Endicott, February, p. 31.
On The Right Track, by Tom Keefe, March, p. 43.
Research Report: Truck Tires, by Larry Green, October, p. 45.

Trailers

Selecting trailers to move rental equipment, by Pam Finkle, November, p. REM-3.

Trenchers

Entrenching, by Glenn A. Endicott, August, p. 51.
Trencher selection: the cutting edge, by Michael Tennant, Training Manager, Trenchers, May, p. 36C.

Trucks, Heavy-Duty

A Boom in Truck-Mounted Cranes, by Glenn A. Endicott, July, p. 41.
Gearing Heavy-Duty Trucks, by Glenn A. Endicott, February, p. 31.
Head of The Class, by Glenn A. Endicott, June, p. 26.
Research Report: Truck Tires, by Larry Green, October, p. 45.

Trucks, Pickup, Van and Utility

For Sale: Workhorses, by Larry Green, December, p. 42.
Research Report: Truck Tires, by Larry Green, October, p. 45.

Utilities and Public Works

Setting Standards, by Robert A. Bassi, March, p. 35.
Southern Comfort, by Robert Bassi, November, p. 31.

Welding

Emergency! Welding Repairs, by Larry Green, March, p. 28. ■
